RE: (WHAT IS THE PROJECT YOU ARE RESPONDING TO)

Dear

Thank you for the opportunity to provide input on the (DESCRIBE THE PROJECT IN WHICH YOU ARE RESPONDING TO). This letter contains the formal comment of the Teen Trail Corps and youth partnership between the International Mountain Bicycling Association (IMBA) and the National Interscholastic Cycling Association (NICA).

Founded in 1988, IMBA leads the national and worldwide mountain bicycling communities through a network of 80,000 individual supporters, 180 local Chapters, and 600 dealer members. IMBA teaches sustainable trail building techniques and has become a leader in trail design, construction, and maintenance; encourages responsible riding, volunteer trail work, and cooperation among trail user groups and land managers. Each year, IMBA members and affiliated clubs conduct more than one million hours of volunteer trail stewardship on America's public lands and are some of the best assistants to federal, state, and local land managers.

Founded in 2009, NICA develops high school mountain biking programs for student-athletes across the United States. NICA provides leadership, services and governance for local leagues to produce quality mountain bike events, and supports every student-athlete in the development of strong body, strong mind and strong character through their efforts on the bike.

Through a joint initiative known as the Teen Trail Corps (TTC), IMBA and NICA will work to incorporate today's youth in tomorrow's future of trail stewardship. Their mission yields young adults leading a movement encouraging and promoting trail advocacy, land stewardship and courteous and respectful use of trails.

We support/we do not support (PROPOSED ACTION, ALTERNATIVES, ETC). THEN ADD A SHORT PARAGRAPH (SUMMARY) ON WHY OR WHY NOT.
